Paraiso

A classic kind of sofa with a simple, essential and elegant taste, which, thanks to its balanced volumes, adapts to a variety of environments, sizes and styles and makes it possible to use the spaces in the best possible way. Paraiso, with removable upholstery in fabric or leather, is expressed in numerous modules: in addition to the linear sofa, it is indeed possible to create solutions with a chaise longue or corners, or combining comfortable

poufs, fully satisfying the different tastes and needs for comfort. Particular care has also been used in the internal parts of the sofa: the feet can be in painted metal, in wood or upholstered in Capri leather. Paraiso is also available in the version with a frill in fabric or in the variant with the backrest cushions integrated into the body and different depth of the seat (Paraiso plus).
