Erica

CHAIRS <u>Antonio Citterio</u>

Description

Chair with a stackable version, it offers a technological blend of extruded and die-cast aluminium elements. Its lightness and design makes it ideal for both public and residential settings, featuring seat cushions for ergonomic comfort together with strength for outdoor use. The painted frames are available in three finish combinations: white painted aluminium frame with dove grey colour polypropylene fibre interlacing, dove grey painted aluminium frame with dove grey colour polypropylene fibre interlacing or finally anthracite painted aluminium frame with anthracite colour polypropylene fibre interlacing.
