PICNIC DAYS

The design adds a touch of elegance and nature-inspired charm to any space. The carpet is crafted with attention to detail, using high-quality materials to ensure durability and comfort.

DIGEST TRIMS

Inspired by the fluidity of cells, this collection combines the art of nature represented in an abstract composition.

FUNNY FANCY

The "Fancy and funny objects" rugs tell us an ironic story, with objects left here and there from the night before

AMINI

TRANSPERENZE

The Trasparenze collection thoroughly researches the creative notion of stratification of colors, geometrical elements and contours that morph into complex, abstract shapes whose intensely decorative value brings stylistic rigor and linearity to all kinds of interiors.

TEOREMA HIBRID

Ideal interpreters of the Contemporary line, Teorema is a collection with a strong graphic and conceptual approach, designed by Elisa Ossino

RD GRIS

The new carpet series is a romantic reference to the artist Juan Gris and his cubist artwork, together with the particular color palette that characterizes all his work. The reflection on colors led the designer to research the most suitable materials and textures to obtain that rendering of shades and materiality.

AVANT APRES SOFA

Avant-Àpres has a sober allure and an elegant appearance. The seating is placed on a metal base upholstered in fabric or leather, resting on metal feet. Refined accessories complete the system: the side tables are walnut wood and come in two different sizes. Fully removable covers.

OLA CHAIR AND ARMCHAIR

The Ola family extends to the dining room: Ola chair originates from the same concept of curved sheets, each converging towards a single center point. Four sheets become two sheets for the variation without armrests. The metal frame has an essential and graphic silhouette, in contrast with the padded and rounded form. Fully removable covers.

SHADES OF VENICE

The Shade of Venice dividers are created with a magical colourful weave in nautical cords inspired by the Venetian islands and their local colours.
